Greetings parents!

For this school year there will be a few materials needed in order for the teaching and learning process to be a successful one. All of the student's materials **must** be labeled with his/her name so that it is easier to identify. Here is a list of materials needed:

- **All books listed** from the institution are required for this school year; this includes the **Art** book.
- **Agenda** – any notebook is fine for this. All assignments, reviews, and/or communication will be posted in the agenda.
- **7 notebooks** – Science, Math, Español, Estudios Sociales, Health, Language, and Reading/Spelling. The only notebook that will share courses will be Spelling and Reading. Any notebook of your preference is fine.
- **Pencil case** – pencils, scissors, glue, eraser, 6 inch ruler, small protractor, pencil sharpener, and crayons, colored pencils, or markers.
- **Two file folders** – these will remain in the classroom and your child's assessments will be placed in them. Please make sure they are properly identified.
- **Construction paper** – this will remain in your child's school bag.
- **Baby wipes** – this will remain in your child's school bag.
- **Clorox wipes, paper towels, and hand sanitizer** – this will remain in the classroom to keep a clean environment.
- **Two white board markers** – this will remain in the classroom.
- **A block of typing paper** – this will remain in the classroom.

If any other material is required you will be notified during the school year. Thanks!
