Greetings parents!

For this school year there will be a few materials needed in order for the teaching and learning process to be a successful one. **All** of the student's materials **must** be labeled with his/her name so that it is easier to identify. Here is a list of materials needed:

- **Email address** – due to recent events, it is extremely important for your child to have an email address if he / she does not have one. You may sit down with your child and create an email account. It is important that since they are minors, for mom/dad/guardian has the password to their account in order to supervise. With this email account your child will be given access to College One (if he or she does not have access) for the different features like online exam and virtual classroom.
- **All books listed** from the institution are required for this school year; this includes the **Art** book. All books must be labeled with the student's name. If the books are **used**, **everything** must be **erased**.
- **Agenda** – any notebook is fine for this. All assignments, reviews, and/or communication will be posted in the agenda.
- **8 notebooks** – Science, Math, Español, Estudios Sociales, Health, Language, and Reading, and Spelling. Any notebook of your preference is fine.
- **Pencil case** – pencils, scissors, glue, eraser, 6 inch ruler, small protractor, pencil sharpener, and crayons, colored pencils, **or** markers.
- **One file folder** – this will remain in the classroom and your child's assessments will be placed in them. Please make sure they are properly identified.
- **Construction paper** – this will remain in your child's school bag.
- **1 Baby wipes and personal hand sanitizer** – this will **remain** in your **child's school bag**.
- **1 Clorox wipes** – this will remain in the classroom to keep a clean environment.
- **Two white board markers** – this will remain in the classroom.

**If any other material is required, you will be notified during the school year. Thanks!**
